What is Futsal? The term is an abbreviation of the Portuguese "futebol de salão" or the Spanish "fútbol sala", both of which mean "indoor soccer". It is a scaled down version of conventional soccer and played by two teams of five players each, including a goalkeeper on each side. It is played on basketball-sized court on a variety of surfaces, both indoors and outdoors. Futsal is the official five-a-side indoor soccer game and the only indoor soccer recognized by F.I.F.A.
